Kindergarten Summer Packet

Summer is a time for lots of fun! It is also important for your children to retain the skills taught during the school year. Enclosed is a packet that should be completed throughout the summer. This packet will be collected the first week of school, and will be graded. Also, please review basic shapes, numbers 1 through 10, and the alphabet with your child throughout the summer. Please return the attached form to your child's teacher as soon as possible. Thank you. Have a wonderful summer!
