**AFTER SCHOOL ENRICHMENT  
PROGRAM**

September 20, 2018

Dear Parents,

The goal of the After School Enrichment Program is to offer the students of Our Lady of Victory School the opportunity to take a variety of interesting classes, on school premises, at the end of their day.

Classes will be taught by Our Lady of Victory faculty members and individuals or organizations from within our community. Attached you will find a description of the classes being offered, along with dates, times, and fees.

The Fall session will begin the  first week of October, 2018.

**Class sizes are limited. In instances where there is a great demand for a particular class, that class will be filled by first come first served.** Eighth graders will be given first priority since it is their last year. If you are closed out of a class in the fall, you must re-register for the spring session.

Please fill-out registration form attached and return to olv. **The deadline for registration is Friday, September 28th . Please be sure to include your current email address because all confirmations will be sent via Dojo.** You will be invoiced through Smart tuition .

Please use the after-school door #3 for all pickups.

Thank you in advance for your cooperation.

### Parliamo!

Parliamo offers students a basic introduction to the Italian language relying on virtual instruction and interaction. Over a series of 10 classes, our goal is to offer a basic self-introduction and describe some familiar items and people using very basic vocabulary. Lessons are provided virtually via Newrow.com and individual student interaction and feedback is managed through Google

We practice a routine of cheerleading, gymnastics, and dance as we prepare for the Christmas show.

Students will enjoy doing different activities on the computer and will learn about coding programs. It will be fun!

Paul Effman Music serves several schools throughout the area and is pleased to bring the program to OLV this fall. Students in grades 3-8 (for band) and grades 1-8 (for Violin) are eligible to enroll.

Lessons on the following instruments will be offered: Flute, Clarinet, Saxophone, Trumpet, Trombone, Violin and Percussion.
